IM Sam Shankland versus GM Jesse Kraai

reported by Michael Aigner

IM Sam Shankland and GM Jesse Kraai shared first at 4.5/6 in the CalChess State Championship, held at a new venue in Santa Clara. Shankland (*photo at left*) had superior tiebreaks and *earned the title for the second year in a row. Congratulations Sam!!* Still a teenager, "*Shanky*" now has two adult trophies at home; although in a bit of an irony, he never won the CalChess Scholastic Championships!

The winners faced stiff competition from IM **Ricardo DeGuzman**, IM **Dmitry Zilberstein** and two teenagers: FM **Steven Zierk** and NM **Greg Young**. DeGuzman, Zierk and Young tied for third at 4.0/6, with Young claiming top U2300 honors as well. One interesting tidbit: Shankland, Kraai, DeGuzman and Zierk completed a quad amongst themselves, drawing every single game.

(Photo of Shankland versus Kraai at top left.) With a performance over 2600 for his last 12 rated games, Zierk (photo at right) will break 2400 USCF.

The tournament **attracted 153 players**, almost all from the San Francisco Bay Area. Organizer **Salman Azhar** of **BayAreaChess.com paid out 100% of the \$8,100 advertised prize fund**, even though it was based on 166 paid entries. *In a sure sign of the future, at least 60% of the players were kids, including a majority of the prize winners*. And here's one unusual sight: a WIM and a FM played \*up\* in the Expert section!?
